

## Evaluation section

NOTE: This section differs for Planning and Project subgrant applications. It is only required for the Pre-Disaster Mitigation grant program.

- Deleted fields
  - Is the recipient a Disaster Resistant Community?
  - Is the recipient a Historically Black College or University or Tribal College or University?
  - Describe the staff and resources needed to implement this mitigation activity and the applicant's ability to provide these resources.
  - Describe how you will manage the costs and schedule, and how you will ensure successful performance.
  - If applying for multiple mitigation activities, how do these activities relate?
  - What outreach activities are planned relative to this mitigation activity (e.g., signs, press releases, success stories, developing package to share with other communities, losses avoided analysis) and/or how will this mitigation activity serve as a model for other communities (i.e., Do you intend to mentor other communities, Tribes or States? Do you intend to prepare a description of the process followed in this activity so that others may learn from the example?)?
- Inserted fields from old *Applicant Information* section
  - “Is this a small, impoverished community?”  
(This is for response by the Grant Applicant only)

## PLANNING:

- Revised fields
  - “Describe how this activity will benefit your constituents” was revised as “Describe how this planning activity will benefit your community and how the plan/data will be used to promote resiliency.”
- Deleted fields
  - Describe the strategy for completing this planning activity, including the review process, adoption, and FEMA’s approval.
  - Please provide an assessment of the frequency (high, moderate, low, very low, not applicable) and severity (catastrophic, extensive, serious, minor) of an event for each of the following hazards
